

EDGE™

CABINETSRY | INTERIOR DESIGN | CLOSETS

We're bringing inspiring design to a location near you.

Coming soon: our showroom!

There are interior motives behind everything we do—such as opening a showroom in the fashionable Galleria Shoppes at Vanderbilt. And those motives are helping clients and everyone who stops in to discover the complete EDGE™ design experience and our full range of capabilities, from interior design to custom cabinetry and more. We cannot wait to welcome you and collaborate on creating the home of your dreams.

Meet the team!

Join us in welcoming Yazan Semrein. With a bachelor's degree in architecture, Yazan has advanced skills, including CAD design and 3D modeling and rendering. Yazan collaborates in the design and production of cabinetry and interior design drawings. Before joining EDGE, he was a 3D drafter, landscape design assistant, project manager and architectural engineer.

Work in progress

Seven interior design and custom cabinetry projects in Quail West and three in Grey Oaks

We will be demonstrating all of our creative capabilities on ten significant projects in two of Naples' most exclusive communities—Quail West and Grey Oaks. Our expert team will design exquisite custom cabinetry, integrating the finest materials and hardware to elevate the feel of the space. With this complete, we will reimagine the overall living space with inspired, inventive design. Expect progress updates with photos and more soon!
